STUDENT STEWARDSHIP TEAM VOLUNTEER RELEASE FORM

This section is to be read by the Student Volunteer and their parent or guardian.

The Student Stewardship Team of the Barrington Land Conservation Trust is an opportunity for students age 14+ to learn about and contribute to the protection of natural open spaces in our town. We are happy to provide documentation for community service hours for this work.

Depending on the student's interest, the work may involve outdoor experiences such as trail maintenance, clean ups, planting, and other activities involved in the maintenance of our properties. The Land Trust will provide experienced adult supervision. Volunteers will use hand tools; no power tools will be used. Work opportunities will be scheduled primarily on weekends to accommodate student schedules.

Outdoor work carries risks. Sun block is encouraged and appropriate clothing should be worn to protect from sun, brambles, poison ivy, etc. Volunteers should bring a reusable water bottle to stay hydrated. The Land Trust will provide information on tick bite prevention and precautions. Students should get in the habit of checking for ticks at the end of every session.

There are also opportunities for students to participate in activities such as photography, film making, graphic design, writing for our publications or social media, administrative work, research, and other activities according to the skills and interests of the student. Please contact Executive Director Cindy Elder at cindyelder@blct.org about these additional opportunities.

This section is to be read and signed by the student volunteer as a commitment to our shared expectations.

1. Before you volunteer, we'll chat with you about the type of work you would like to do. Please speak up if you find the work to be uncomfortable or not well-suited to you. We want this to be a success for you!
2. Be dependable and on time. If you do run late, let us know so we don't worry about you.
3. Every time you volunteer: Record your time worked in the shared folder we provide you.
4. We will give you a BLCT hat on your first day. Please bring it and wear it every time you volunteer.
5. We all need to be good listeners. Encourage your fellow volunteers with positive words and comments, and treat everyone with respect.
6. We all need to be flexible and patient to keep tasks running smoothly. If you are feeling frustrated, let a group leader know and we will do our best to help you get back on track.
7. If you're having a conflict with a fellow volunteer, speak to a group leader right away so we can help you resolve it. If you're having a conflict with a group leader, speak to another group leader right away.
8. If you observe unsafe or unkind behavior, you may speak up to prevent a problem or ask a group leader for help. However, it is not your job to discipline fellow volunteers.
